WICHITA FLAG MURAL MANIA

More than four miles of Douglas Avenue will be closed to traffic on September 24 from noon to 4 p.m. to celebrate **OPEN STREETS ICT**. Modeled after a national Open Streets initiative, this City of Wichita project is designed to bring the community together for an active and fun afternoon on Wichita's iconic Douglas Avenue between Roosevelt Street and Glen Street. Plan on biking, walking, running or skating down Douglas to enjoy special entertainment, food, art and music.

You can use this listing and map of Wichita flag-inspired murals on or around Douglas Avenue during the event to enjoy local art designed to promote community pride. Be sure to tag and post your mural photos with **#WichitaFlag** and **#ILoveWichita** on Instagram, Facebook or Twitter.

Find detailed information about activity hubs and programming along the route at openstreetsict.com or by contacting Wichita Parks & Recreation.
